**TRUE**  
**TO THE GAME™**

Spalding is in the game for keeps. Dedicated to the sport – to the pure passion of it – nothing but our total commitment ever hits the courts and fields of play. No compromises. No glitz. No hype. Just honest passion for pure play. Serious athletes know that nobody else is inside their game, or changing it with the newest technology available. Nobody but Spalding.

That's exactly why the world's premier leagues and players entrust Spalding with their official equipment. Spalding. True to the Game.

“Everything is possible to him who dares.”
